How are we paid for our services?

We do not charge you a fee to establish Income Manager. However, we may receive account administrative fees for services utilized within Income Manager. We receive fees from program banks for deposits in the Edward Jones Insured Bank Deposit Program. We own the investment adviser to the Edward Jones Money Market Fund. We receive compensation for the distribution and shareholder accounting services we provide for the Fund.

How is your financial advisor compensated?

Deposits in the Income Manager account impact the branch P&L credit for client assets under care. As a result, your financial advisor’s eligibility for a bonus will be positively impacted.
