

Edward Jones Insured Bank Deposit Program Bank Lists for Personal Accounts

Effective November 7, 2018

The current Program Bank Lists for Personal Accounts, organized by geographic region, are below. For purposes of Insured Bank Deposit, Personal Accounts include Single, Joint, Custodian, Living Trust, Testamentary Trust, Guardian, Conservator, Curator, Committee, Sole Proprietorship, and Estate registrations. Bank Lists for other registration types are available from your financial advisor or at www.edwardjones.com/bankdeposit.

Program Banks are organized into regional bank lists with each Program Bank List assigned based upon the state as reflected in your Edward Jones account mailing address. The Program Banks appear on the Program Bank List in the order in which your funds will be deposited. The state listed after each Program Bank is the headquarter location of each bank.

You should review the Program Bank List carefully. More information concerning the Edward Jones Insured Bank Deposit Program and Program Bank Lists is available from your financial advisor or at www.edwardjones.com/bankdeposit.

Additional Information

You may designate a Program Bank as ineligible to receive your funds by contacting your financial advisor. This will result in your funds being deposited into Deposit Accounts at the next Program Bank on the Program Bank List.

The Program Bank Lists also include excess banks (“Excess Banks”). Once the program limit of \$1.5 million (\$3 million for joint accounts of two or more people) in Federal Deposit Insurance Corporation coverage has been deposited in the Banks on the Program Bank List, any additional funds will be deposited in an Excess Bank without limit and without regard to the FDIC insurance limit. You may designate one Excess Bank as ineligible to receive your funds. These Excess Banks are shown in italics above.
