

Equity commission schedule

When you purchase or sell shares of stock, you pay a commission or fee. The amount you pay in commission depends on the amount of principal involved.

The table below shows our current equity commission schedule per trade.¹

Range	Principal Amount ²	Fee	Maximum Fee in Range
1	Up to \$5,999.99	2.50% ³	\$150.00
2	\$6,000.00 to \$9,999.99	2.00% + \$30.00	\$230.00
3	\$10,000.00 to \$24,999.99	1.50% + \$80.00	\$455.00
4	\$25,000.00 to \$99,999.99	1.00% + \$205.00	\$1,205.00
5	\$100,000.00 to \$249,999.99	0.50% + \$705.00	\$1,955
6	\$250,000.00 to \$499,999.99	0.30% + \$1,205.00	\$2,705.00
7	\$500,000.00 to \$999,999.99	0.20% + \$1,705.00	\$3,705.00
8	\$1,000,000.00 and Above	0.10% + \$2,705.00	Unlimited

¹ Total commission may vary for trades executed over multiple days and is added to a \$4.95 transaction fee per trade.

² Principal amount calculated by multiplying the number of shares by the stock price.

³ Minimum commission is \$50.00.

The above equity commission schedule is effective as of March 5, 2021. Schedule is subject to change without notice.
