

Edward Jones Guided Solutions®

Fund Account Schedule of Program Fees

The Guided Solutions Fee is comprised of the Program Fee, net of any applicable fee reduction or fee offset (which is described in the Edward Jones Guided Solutions® Fund Account Brochure (“Brochure”). The Program Fee is calculated by multiplying the applicable fee rate by the market value of all assets held in my Account (using the previous month’s average daily balance). Edward Jones Reserve Line of Credit advances, if any, do not reduce the market value of my Account for the purposes of calculating the Program Fee. The initial Program Fee will be charged to my Account in the month following the date my Account was eligible for Guided Solutions based upon the number of days my Account was open during the month and based upon the average daily market value from the date my Account was accepted by Edward Jones through month end.

If the Services Agreement is terminated, the final Program Fee will be assessed based upon the number of days my Account was open during the month and based upon the average daily market value using the prior day’s price to determine a market value on the final day in order to calculate the closeout fee.

Program Fee Schedule

The Program Fee is based on the market value of all assets held in my Account, including any cash balances swept into the Edward Jones Money Market Fund. The Program Fee is assessed beginning at an annual fee rate of 1.35%, payable monthly in arrears.
