Additional Information

You may designate a Program Bank as ineligible to receive your funds by contacting your financial advisor. In addition, you may at any time instruct Edward Jones to remove your funds from a Bank and designate the Bank as ineligible to receive your funds. However, doing so may result in a lower available Bank Program Limit for FDIC insurance.

The Bank Program offers FDIC insurance coverage up to a maximum total amount of \$2.5 million (the "Bank Program Limit"). Amounts in excess of the Bank Program Limit will be removed from the Insured Bank Deposit Program and invested into the Edward Jones Money Market Fund. You may choose to exclude the Edward Jones Money Market Fund and instead have amounts in excess of the Bank Program Limit deposited in a bank designated by Edward Jones without a deposit limit ("Excess Bank"). If you choose to utilize an Excess Bank, these deposits may not be eligible for FDIC insurance. Uninsured deposits are subject to the credit risk of the Excess Bank and may result in a loss of principal and accrued interest. You may designate one Excess Bank as ineligible to receive your funds. These Excess Banks are shown in italics above.
