Join Edward Jones in the fight against Alzheimer's

Alzheimer's Association Walk to End Alzheimer's®

Together or solo, in-person or online – just walk!*

A lot has changed since we last walked together. But the fight to end Alzheimer's carries on.

As a National Presenting Sponsor of Walk to End Alzheimer's, we invite you to join us in this fight by participating in your local Walk. The Alzheimer's Association plans to host Walk to End Alzheimer's in person, while continuing to offer options to participate online and in your neighborhood. Given the unpredictability of the COVID-19 environment, we are taking steps to protect the health and well-being of our clients, associates, families and communities. Edward Jones' in-person participation is subject to change due to the firm's reopening policy.

What won't change is our commitment to ending Alzheimer's through \$50 million from Walks and corporate giving between 2016 and 2025. This latest investment enables us to continue providing full-mission support to the Alzheimer's Association by broadening awareness, increasing education opportunities to advance care and support for families impacted by Alzheimer's, and funding critical Alzheimer's research.

We are ready, but we need you to join our Edward Jones team in this fight. Will you walk with us?

*Edward Jones' participation with in-person walks is subject to change due to the firm's reopening policy.
Please note: Edward Jones cannot accept monetary donations of any kind.
