INTEREST CALCULATION

Interest on the Bonds is payable on January 15 and July 15 of each year, commencing July 15, 2027. Interest will be payable to the holder (initially Cede & Co.) registered on the books of the Registrar as of the Record Date. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

REGISTRATION AND EXCHANGE FEATURES

Each registered Bond shall be transferable or exchangeable only on such record at the designated corporate trust office of the Trustee at the written request of the registered owner thereof or the registered owner's attorney duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or the duly authorized attorney. A further description of the registration and exchange features of the Bonds can be found in the Trust Indenture. See Appendix D: "Summary of Certain Provisions of the Trust Indenture."

BOOK-ENTRY-ONLY

When issued, the Bonds may be registered in the name of and held by Cede & Co., as nominee for DTC. Purchases of beneficial interests in the Bonds will be made in book-entry-only form. Purchasers of beneficial interests in the Bonds ("Beneficial Owners") will not receive physical delivery of certificates representing their interests in the Bonds. See Appendix B: "Book-Entry-Only."

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed on the interest payment date to the registered owners as the names appear as of the Record Date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). Payments on the Bonds shall be made in lawful money of the United States of America, which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and Indirect Participants, as defined and more fully described in Appendix D: "Summary of Certain Provisions of the Trust Indenture").

NOTICE OF REDEMPTION

Notice of redemption shall be mailed to the registered owners of all Bonds to be redeemed at least 30 days but not more than 60 days prior to the date fixed for such redemption, unless notice is waived by the owner of the Bond or Bonds redeemed. If any of the Bonds are so called for redemption, and payment therefore is made to the Trustee in accordance with the terms of the Trust Indenture, then such Bonds shall cease to bear interest from and after the date fixed for redemption in the call. For so long as the Bonds are held in book-entry-only form, the Trustee will send notices of redemption of the Bonds only to DTC or its nominee, as the registered owner of the Bonds, as outlined in "Provisions for Payment" herein. Neither the Building Corporation nor the Trustee will have any responsibility for any Beneficial Owners' receipt from DTC or its nominee, or from any Direct Participant or Indirect Participant, of any notices of redemption. See Appendix B: "Book-Entry-Only."

With respect to any optional redemption of any of the Bonds, unless money sufficient to pay the principal of, and premium, if any, and interest on the Bonds to be redeemed has been received by the Trustee prior to the giving of such notice of redemption, such notice will state that said redemption is conditional upon the receipt of such money by the Trustee on or prior to the date fixed for redemption. If such money is not received by the redemption date, such notice will be of no force and effect, the Trustee will not redeem such Bonds, the redemption price will not be due and payable and the Trustee will give notice, in the same manner in which the notice of redemption was given, that such money was not so received and that such Bonds will not be redeemed and that the failure to redeem such Bonds will not constitute an event of default under the Trust Indenture. Money does not need to be on deposit with the Trustee prior to the mailing of the notice of optional redemption of the Bonds pursuant to the Trust Indenture.

OPTIONAL REDEMPTION

The Bonds maturing on or after July 15, 2037, are redeemable prior to maturity at the option of the Building Corporation in whole or in part in any order of maturity as determined by the Building Corporation and by lot within maturities, on any date not earlier than January 15, 2037, at face value plus accrued interest to the date fixed for redemption and without any redemption premium.

MANDATORY REDEMPTION

If any Bonds are issued as Term Bonds, the Trustee shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the Building Corporation, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of that Term Bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Trustee shall only credit such Term Bond to the extent received on or before 45 days preceding the applicable mandatory redemption date.

If fewer than all the Bonds are called for redemption at one time, the Bonds shall be redeemed in order of maturity determined by the Building Corporation and by lot within maturity. Each \$5,000 principal amount shall be considered a separate Bond for purposes of optional and mandatory redemption. If some Bonds are to be redeemed by optional and mandatory sinking redemption on the same date, the Trustee shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

AUTHORITY AND SECURITY

AUTHORIZATION AND APPROVAL PROCESS

The Bonds are to be issued under the authority of Indiana law, including, without limitation, IC 20-47-3 and 4, as in effect on the date of delivery of the Bonds and pursuant to the Trust Indenture between the Building Corporation and the Trustee.

Pursuant to IC 6-1.1-20, with certain exceptions, when property taxes are pledged to the repayment of bonds or leases to finance a project, a determination must be made as to whether the project is a "controlled project". Projects classified as controlled projects are subject to certain public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes and costs the local government entity more than the thresholds set forth in IC 6-1.1-20, as amended, or if the project, regardless of cost, is financed by a local government entity which has a total non-exempt debt service fund tax rate at the time such project is approved by the local government entity that exceeds the thresholds set forth in IC 6-1.1-20, as amended.

If a project exceeds these thresholds, a project may meet another exception if: (a) property taxes are used only as a back-up to enhance credit and the issuer reasonably expects to pay the bond or lease rental payments from funds other than property taxes, (b) a project is being refinanced to generate taxpayer savings, (c) the project is mandated by federal law or in response to a court order, or (d) the project is in response to a natural disaster, emergency or accident making it unavailable for its intended use.

Depending on the size of the project and/or the local government entity's total non-exempt debt service fund tax rate, controlled projects are subject to either a petition and remonstrance process or a referendum process. Controlled projects are subject to the petition and remonstrance process unless the project amounts and/or the local government entity's total non-exempt debt service fund tax rate trigger the voter approval referendum process as outlined below. Under the petition and remonstrance process, taxpayers and voters may sign a petition in favor of the project (petitioners) or against the project (remonstrators). At the end of the signature gathering period, if the petitioners have more signatures, the project may proceed. Controlled projects subject to the referendum process require voter approval if the referendum process is initiated for the controlled project.

Once the referendum process is initiated, the public question regarding the controlled project will go on the ballot. If the majority of voters approve of the project, the project may proceed. Projects approved through a referendum vote are exempt from the 1%/2%/3% Circuit Breaker Tax Credit (herein defined) and Supplemental Homestead Credit (herein defined) calculations.

The Project funded by the Bonds was subject to the controlled project procedures; however, the referendum process was not initiated by real property owners or registered voters. Therefore, the issuance of the Bonds was able to continue without additional approval procedures. Because the Project funded by the Bonds was not approved through a referendum vote, the ad valorem property tax to be levied on all taxable property within the School Corporation to repay the Bonds will be included in the 1%/2%/3% Circuit Breaker Tax Credit and Supplemental Homestead Credit calculations.

THE BUILDING CORPORATION

The Building Corporation was organized as a not-for-profit corporation pursuant to IC 23-17, for the sole purpose of acquiring land and constructing, renovating and improving school facilities to be leased to the School Corporation.

During its existence, the Building Corporation will operate entirely without profit to the Building Corporation, its officers or directors.

LEASED PREMISES

The leased premises consists of (i) a portion of Portage High School building ("Tract I"); and (ii) land on which a replacement middle school building will be constructed ("Tract II"), both buildings to be constructed, renovated and equipped thereon by the Building Corporation (collectively the "Leased Premises"). The Building Corporation is authorized to spend up to \$10,600,000.00 of the Bond proceeds off of the Leased Premises.

SECURITY AND SOURCES OF PAYMENT

The Bonds shall constitute an indebtedness of the Building Corporation payable in accordance with the terms of the Trust Indenture and secured on a parity basis with the Parity Bonds (as hereinafter defined) by the pledge and assignment to the Trustee of the funds and accounts defined and described therein, including the Lease Rental and other funds as defined in the Trust Indenture. The Trust Indenture creates a continuing pledge by the Building Corporation to the bondholders to pay principal and interest on the Bonds, until the principal sum shall be fully paid. Funds for the Lease Rentals will be paid by or on behalf of the School Corporation directly to the Trustee (for the account of the Building Corporation) pursuant to the terms of the Lease. The Bonds and the Parity Bonds are additionally secured by a lien on the Leased Premises as described in the Trust Indenture.

Pursuant to the Lease, the School Corporation will pay rental during renovation solely as to Tract I in the amount of up to \$4,900,000 per semiannual payment payable on June 30 and December 31, which began on June 30, 2026, until completion of the construction of the building on Tract II. Thereafter, the School Corporation agrees to pay rental for the entire Leased Premises at the rate of \$9,800,000 per year during the term of the Lease. The first full rental installment shall be due on the day that the building to be constructed on Tract II is completed and ready for occupancy or December 31, 2029, whichever is later. See the Summary of the Lease (Appendix C). If the completion date is later than December 31, 2029, the first rental payment shall be in an amount calculated at the annual rate from the date of payment to the next June 30 or December 31. Thereafter, rental shall be payable in advance in semiannual installments of \$4,900,000 on June 30 and December 31 of each year. See "Construction Risk" herein.

If, for any reason, the Leased Premises is partially or totally destroyed or unfit for occupancy, the fixed annual rental shall be proportionately abated. If Lease Rentals are abated, the Building Corporation could have insufficient funds to pay debt service on the Bonds. See "Lease Rental Abatement Risk" herein. The Building Corporation is required by the Lease to maintain rental value insurance, in an amount equal to the full rental value for a period of up to two years. In addition, the proceeds of any property or casualty insurance would be used either to repair and reconstruct the Leased Premises or retire obligations issued to finance the Leased Premises. To the extent the damaged or destroyed Leased Premises is not restored or repaired or is unfit for occupancy and use beyond the period covered by rental value insurance, the Building Corporation could have insufficient funds to pay debt service on the Bonds.

The Lease Rentals to be paid by the School Corporation during the term of the Lease are required to be in amounts sufficient to pay the principal of and interest on the Bonds. The Lease Rental is secured by a

pledge of ad valorem property taxes levied on all taxable property in the School Corporation. See “Property Tax Credits” herein.

The Bonds will rank on parity with the Building Corporation’s Ad Valorem Property Tax First Mortgage Bonds, Series 2025, dated October 28, 2025, now outstanding in the amount of \$13,415,000 (the “Parity Bonds”). The Parity Bonds are obligations of the Building Corporation payable solely from, and additionally secured by a first mortgage lien on the Leased Premises which includes the Lease Rentals to be paid by the School Corporation in accordance with the Lease.

The Building Corporation has previously acquired ownership of Tract I of the Leased Premises and will acquire ownership of Tract II of the Leased Premises on the date the Leased Premises are substantially completed and available for occupancy, as described within the Lease. The Lease is for a thirty (30) year term which commenced, with regard to Tract I, on the date the Building Corporation acquired ownership of Tract I of the Leased Premises and which commences, with regard to Tract II, on the date the Leased Premises are substantially completed and available for occupancy and expires on the date which is thirty (30) years later. (See Appendix C: “Summary of the Lease”).

STATE INTERCEPT PROGRAM

IC 20-48-1-11, as amended by Public Law 167-2017 (the “Act”), requires the Department of Local Government Finance (the “DLGF”) to review levies and appropriations of school corporations for debt service or lease rental payments (the “Debt Service Obligation”) that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides upon failure to pay any Debt Service Obligation when due and upon notice and claim being filed with the Treasurer of the State (the “State Treasurer”), the State Treasurer will pay the unpaid Debt Service Obligation of the school corporation within five (5) days, excluding Saturdays, Sundays and legal holidays of receiving such notice to the extent that the amounts described below as the Available Funds are available to the State Treasurer in accordance with the following procedures: (a) upon notice and claim being filed with the State Treasurer, the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State (the “State Budget Director”), the Auditor of the State (the “State Auditor”) and any department or agency of the State responsible for distributing funds appropriated by the Indiana General Assembly (the “General Assembly”) to provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer’s obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer’s obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the “State Intercept Program”). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State (the “Current Year School Distribution”), which begins on July 1 and ends on the immediately following June 30 (the “State Fiscal Year”), (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State Fiscal Year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State Fiscal Year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount equal to the lesser of the unpaid Debt Service Obligation or the amount to be distributed to the school corporation in the immediately succeeding State Fiscal Year (clauses (i) through and including (iii), collectively, the “Available Funds”). If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation,

first from all funds of the school corporation except tuition support. In accordance with the Trust Indenture, the Trustee is required to notify and immediately demand payment from the State Treasurer if the School Corporation should default on its obligation to pay the Lease Rentals on the due date. The estimated State distributions for State Fiscal Year 2027 and resulting debt service coverage levels are as follows:

Fiscal Year 2027 Basic Grant Distribution (all funds) (1)	<u>\$57,950,824</u>
Estimated Combined Maximum Annual Debt Service (2)*	<u>\$11,997,431</u>
State Distributions Required to Provide One and One-Half Times Coverage*	<u>\$17,996,147</u>
State Distributions Above One and One-Half Times Coverage Amount*	<u>\$39,954,677</u>

(1) Per the Indiana Department of Education, net of adjustments.

(2) Based on combined outstanding debt for the year 2026.

*Preliminary, subject to change.

While the above description is based upon enacted legislation, the General Assembly may make amendments to such statutes and therefore there is no assurance of future events.

RELATIONSHIP OF ANNUAL LEASE RENTAL PAYMENTS TO ANNUAL DEBT SERVICE REQUIREMENTS

The Lease Rentals to be paid by the School Corporation each June 30 and December 31 for the use and occupancy of the Leased Premises will be equal to an amount which, when added to funds in the Sinking Fund, will be sufficient to pay unpaid principal of and interest on the Bonds which is due on or before the July 15 and January 15 following such June 30 and December 31, plus an amount sufficient to provide for the fees of the Trustee and incidental expenses of the Building Corporation.

All Lease Rentals shall be paid by or on behalf of the School Corporation to the Trustee under the Trust Indenture or to such other bank or trust company as may from time to time succeed the Trustee as provided thereunder. All payments so made by or on behalf of the School Corporation shall be considered as payment to the Building Corporation of the Lease Rentals payable under the Lease.

ADDITIONAL BONDS

Additional bonds may be issued on parity with the Bonds and the Parity Bonds subject to the terms and limitations of the Trust Indenture ("Additional Bonds"). Except as permitted by the Trust Indenture, the Building Corporation covenants that it will not incur any indebtedness other than the Bonds and the Parity Bonds unless such additional indebtedness is payable solely from income of the Building Corporation other than the Lease Rentals provided for in the Lease.

PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

The Lease Rentals are payable from ad valorem property taxes required by law to be levied by, or on behalf of, the School Corporation in an amount sufficient to pay debt service as it becomes due and payable and are subject to the Property Tax Credits described herein. Article 10, Section 1 of the Constitution of the State ("Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (IC 6-1.1-20.6, as amended), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "Property Tax Credits" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. Before August 1 of each year, the county auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the DLGF. The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The county auditor may submit an amended certified

statement at any time before the preceding year, the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be reduced by the application of the Property Tax Credits (as defined herein), after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year and after taking into account all payments for debt service obligations that are to be made by the taxing unit during the ensuing year. Before August 1 of each year, the DLGF shall provide to each taxing unit an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the percentage change between the current and proposed tax levies of each fund; (v) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Property Tax Credits; (vi) the amounts of excess levy appeals to be requested, if any; (vii) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway; (viii) the time and place at which the taxing unit or appropriate fiscal body will meet to fix the budget, tax rate and levy of the taxing unit; and (ix) the date, time, and place of the final adoption of the budget, tax rate, and levy. The taxing unit must submit the information listed in (i) – (ix) above on Gateway at least ten days prior to the date of the public hearing. The public hearing must be completed at least ten days before the taxing unit meets to fix the budget, tax rate and tax levy which by statute must each be established no later than November 1. The taxing unit must file the adopted budget with the DLGF within five days after adoption.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; (iii) notice is given to the county fiscal body of the DLGF's correction; (iv) the request includes the corrected budget, tax rate, or levy, as applicable and the time and place of the public meeting; and (v) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body.

The DLGF may not approve a levy for lease payments by a taxing unit to a building corporation if: (i) there are no bonds of the building corporation outstanding; and (ii) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested. However, the DLGF may increase the taxing unit's tax rate and levy if the tax rate and levy proposed by the taxing unit are not sufficient to make its lease rental payments.

The DLGF must complete its review and certification of budgets, tax rates and levies by December 31 of the calendar year immediately preceding the ensuing calendar year unless a taxing unit in the county is issuing debt after December 1 in the year preceding the budget year or intends to file a levy shortfall appeal.

On or before March 15, the county auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The county auditor publishes a notice of the tax rate in accordance with Indiana statutes. The county treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the county treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any

taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The county auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Personal property values are assessed January 1 of every year and are self-reported by property owners to county assessors using prescribed forms. The completed personal property return must be filed with the county assessors no later than May 15. Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Pursuant to IC 6-1.1-3-7.2, as amended, State law automatically exempts from property taxation the acquisition cost of a taxpayer's total business personal property in a county if the total business personal property is less than (i) eighty thousand dollars (\$80,000) for assessment dates before 2026; and (ii) two million dollars (\$2,000,000) for the 2026 assessment date and each assessment date thereafter.

Pursuant to State law, real property is valued for assessment purposes at its "true tax value" as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2021 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4 and the 2021 Real Property Assessment Guidelines ("Guidelines"), as published by the DLGF. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13, as amended, which shall mean the "market value-in-use" of a property for its current use, as reflected by the utility received by the owner or by a similar user from the property. Except for agricultural land and rental residential property with rental periods longer than thirty (30) days, the Manual permits assessing officials in each county to choose one of three standard approaches to determine market value-in-use, which are the cost approach, the sales comparison approach or the income approach. The Guidelines provide each of the approaches to determine "market value-in-use and the reconciliation of these approaches shall be applied in accordance with generally recognized appraisal principals." In accordance with IC 6-1.1-4-2(a), as amended, the county assessor is required to submit a reassessment plan to the DLGF before May 1 every four (4) years, and the DLGF has to approve the reassessment plan before January 1 of the following year.

The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under a county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. All real property assessments are revalued annually to reflect market value based upon comparable sales ("Trending"). "Net Assessed Value" or "Taxable Value" represents the "Gross Assessed Value" less certain assessed value deductions. The "Net Assessed Value" or "Taxable Value" is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments, as well as when changes occur in the property value due to new construction or demolition of improvements. When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located by June 15 of the assessment year if the written notification is provided to the taxpayer before May 1 of that year, or June 15 of the year in which the tax bill is mailed by the county treasurer if the notice is provided on or after May 1 of the assessment year, whichever is earlier. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value. For all appeals except an appeal on the assessed value of the property, the taxpayer may appeal not later than three years after the taxes were first due.

Over the past few years the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. Senate Enrolled Act No. 1 (2025) ("SEA 1-2025") and House Enrolled Act No. 1427 (2025) ("HEA 1427-2025") add additional tax credits for homestead properties and other classifications of real property based on certain demographic categories, which may reduce the amount of property taxes collected by governmental entities. SEA 1-2025 also includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real

property owners of non-homestead residential property, agricultural property, and long-term care facilities, all of which phase in through taxes payable year 2031. SEA 1-2025 and HEA 1427-2025 change the automatic exemption for personal property taxation if the total business personal property is less than \$2,000,000 beginning for the 2026 assessment date, which is an increase from the \$80,000 assessment for the 2025 and prior assessment dates. SEA 1-2025 and HEA 1427-2025 also removed the previous requirement that businesses must continue to pay a 30% floor on the taxation of qualifying business personal property even as it is depreciated. Some of the changes in SEA 1-2025 and HEA 1427-2025 may result in a decrease in assessed valuation, which may require an increase in property tax rates. Additionally, SEA 1-2025 revises the local income tax structure, originally set to take effect in 2028 but postponed to 2029 by House Enrolled Act No. 1210 (2026) ("HEA 1210-2026"). Under these amendments, current local income taxes will be replaced with new expenditure-based rates and the local income tax authorized pursuant to IC 6-3.6-5 that is utilized for property tax relief expires beginning in 2029. It is uncertain at this time what impact, if any, the aforementioned enacted legislation or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the Building Corporation, the School Corporation nor their advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the Bonds or the operations of the School Corporation. The purchasers of the Bonds should consult their own advisors regarding risks associated with the aforementioned enacted legislation or future legislation.

PROPERTY TAX CREDITS

1%/2%/3% Circuit Breaker Tax Credits

The Constitutional Provision provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. IC-6-1.1-20.6, as amended (the "Statute"), authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of real and personal property eligible for the credit (the "1%/2%/3% Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in IC 6-1.1-12-37, as amended), the 1%/2%/3% Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value.

Additional Tax Credits

The Statute also provides property tax credits for property taxes paid by homesteads equal to the lesser of \$300 or 10% of the property tax liability for the year (the "Supplemental Homestead Credit"). The Statute and other Indiana laws provide additional property tax credits for certain real property owners who qualify based on demographic criteria, including taxpayers who are blind, disabled, age 65 or older, or veterans (beginning in 2027) (the "Demographic Circuit Breaker Tax Credit"). Additionally, counties may adopt a County Option Circuit Breaker Tax Credit limiting growth in tax bills (the "County Option Circuit Breaker Tax Credit," together with the 1%/2%/3% Circuit Breaker Tax Credit, Supplemental Homestead Credit, Demographic Circuit Breaker Tax Credit, collectively, "Property Tax Credits"). Requirements vary and property owners may not be eligible for all Property Tax Credits.

Authorized pursuant to IC 6-3.6-5, certain counties have adopted local income taxes that include a property tax relief component. Revenues from such income taxes are used to fund credits applied against property tax liabilities, which are reflected on property tax bills as a reduction in taxes due ("Property Tax Relief Income Tax Credit"). The Property Tax Relief Income Tax Credit expires beginning in 2029, which may result in higher Property Tax Credits than would otherwise occur in the applicable jurisdictions.

If applicable, the above-described Property Tax Credits will result in a reduction of property tax collections for each political subdivision in which the Property Tax Credits are applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Property Tax Credits. Otherwise, school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of Property Tax Credits.

The Constitutional Provision excludes from the application of the 1%/2%/3% Circuit Breaker Tax Credit and the Supplemental Homestead Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute.

The Statute requires political subdivisions to fully fund the payment of Debt Service Obligations, regardless of any reduction in property tax collections due to the application of Property Tax Credits. For school corporations, any shortfall could also be funded through the State Intercept Program (See “State Intercept Program” herein); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation’s education fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation’s other legally available funds to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, as amended, if a school corporation has sufficient 1%/2%/3% Circuit Breaker Tax Credit losses and meets certain requirements in any year from 2014 through 2026, and has approval from the DLGF, it will be an eligible school corporation for such year that it submitted the request for a determination (an “Eligible School Corporation”). An Eligible School Corporation may allocate a portion of its 1%/2%/3% Circuit Breaker Tax Credit loss to its non-exempt debt service fund(s), and is exempt from the protected taxes requirement described below.

After December, 31, 2023, if a school corporation issues new bonds or enters into a new lease rental agreement after July 1, 2023, for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2024, but only if the refinancing or renewal is for a lower interest rate; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law, the school corporation will not be an Eligible School Corporation.

The School Corporation did not qualify for this exemption in 2026.

For taxes due and payable in 2026, school corporations may allocate the impact of the Supplemental Homestead Credit proportionately among all non-exempt funds, including debt service funds. The School Corporation has elected to utilize this reallocation. Beginning with taxes due and payable in 2027, debt service funds will be protected from reductions attributable to the Supplemental Homestead Credit. As a result, the impact of the Supplemental Homestead Credit will be allocated solely among non-exempt non-debt funds.

Except for an Eligible School Corporation and the above-described reallocation of the Supplemental Homestead Credit in 2026, the Statute categorizes property taxes levied to pay Debt Service Obligations as “protected taxes,” regardless of whether the property taxes were approved at a referendum, and all other property taxes as “unprotected taxes.” The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the 1%/2%/3% Circuit Breaker Tax Credit and Supplemental Homestead Credit. The application of the 1%/2%/3% Circuit Breaker Tax Credit and Supplemental Homestead Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the 1%/2%/3% Circuit Breaker Tax Credit and Supplemental Homestead Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the 1%/2%/3% Circuit Breaker Tax Credit and Supplemental Homestead Credit or if there is not a fund receiving only unprotected taxes from which to distribute revenue, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet

its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The allocation of property tax reductions to funds may impact the ability of political subdivisions to provide existing levels of service, and in extreme cases, the ability to make debt service or lease rental payments.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Property Tax Credits or the collection of property taxes by the School Corporation.

Estimated Property Tax Credits for the School Corporation:

According to the DLGF, the Property Tax Credits allocable to the School Corporation for budget years 2024, 2025 and 2026, are \$1,632,365, \$2,425,237 and \$2,914,561, respectively. These estimates do not include the payments on the Bonds.

The Property Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Property Tax Credits and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Property Tax Credits, and the resulting increase could be material. The School Corporation is located in a county with Property Tax Relief Income Tax Credit that expires beginning in 2029, which may result in higher Property Tax Credits than would otherwise occur.

INVESTMENT OF FUNDS

The proceeds of the Bonds are to be invested in accordance with the laws of the State relating to the depositing, holding, securing or investing of public funds as set forth in the Trust Indenture. The School Corporation on behalf of the Building Corporation shall direct the investment of proceeds.

RATINGS

S&P Global Rating Agency ("S&P Global") has assigned a programmatic bond rating of "___" to the Bonds and an underlying bond rating of "___" to the Bonds. Such ratings reflect only the view of S&P Global and any explanation of the significance of such ratings may only be obtained from S&P Global.

The ratings are not a recommendation to buy, sell or hold the Bonds, and such ratings may be subject to revision or withdrawal at any time by S&P Global. Any revision or withdrawal of the ratings may have an adverse effect upon the market price of the Bonds.

Neither the School Corporation nor the Building Corporation applied to any other rating service for a rating on the Bonds.

RISK FACTORS AND INVESTOR CONSIDERATIONS

Prospective purchasers of the Bonds should consider carefully, along with other matters referred to herein, the following risks of investment. The ability of the Issuer to meet the debt service requirements of the

Bonds is subject to various risks and uncertainties which are discussed throughout this official statement. Certain, but not all, investment considerations are set forth below.

CONSTRUCTION RISK

If there is excessive delay in construction and the Leased Premises is not available for occupancy and use by December 31, 2029, sufficient funds may not be available to meet the payment due on the Bonds on January 15, 2030, and subsequent interest and principal payments.

LEASE RENTAL ABATEMENT RISK

If, for any reason, the Leased Premises is partially or totally destroyed or unfit for occupancy, the fixed annual rental shall be proportionately abated. To the extent the damaged or destroyed Leased Premises is not restored or repaired or is unfit for occupancy and use beyond the period covered by rental value insurance, the Building Corporation could have insufficient funds to pay debt service on the Bonds.

The risk of non-payment of Lease Rentals due to the abatement risk is mitigated by the requirement within the Lease to maintain rental value insurance, in an amount equal to the full rental value for a period of up to two years. In addition, the proceeds of any property or casualty insurance would be used either to repair and reconstruct the Leased Premises or retire obligations issued to finance the Leased Premises.

MAINTENANCE OF RATINGS

The Bonds will be rated as to their creditworthiness by S&P Global. No assurance can be given that the Bonds will maintain their original ratings. If the ratings on the Bonds decrease or are withdrawn, the Bonds may lack liquidity in the secondary market in comparison with other such municipal obligations. See "Ratings" herein.

SECONDARY MARKET

While the purchaser of the Bonds may expect, insofar as possible, to maintain a secondary market in the Bonds, no assurance can be given concerning the future existence of such a secondary market or its maintenance by the purchasers or others, and prospective purchasers of the Bonds should therefore be prepared, if necessary, to hold their Bonds to maturity or prior redemption, if any.

FUTURE CHANGES IN LAW

Legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch. Bond Counsel's opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Bonds.

As one example, Indiana Governor Michael Braun signed SEA 1-2025 into law on April 15, 2025. SEA 1-2025 includes a number of provisions which may adversely impact future tax collections and budgets of political subdivisions in the State, including school corporations.

The final version of SEA 1-2025 which was signed by Governor Braun, as well as related fiscal information provided by the State of Indiana's Legislative Services Agency, can be found here: <https://iga.in.gov/legislative/2025/bills/senate/1/details>

See "Procedures for Property Assessment, Tax Levy and Collection" and "Property Tax Credits" herein.

The Building Corporation and the School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

There can be no assurance that there will not be any change in, interpretation of, or addition to the applicable laws and provisions which would have a material effect, directly or indirectly, on the affairs of the Building Corporation and the School Corporation.

LIMITATIONS ON REMEDIES AVAILABLE TO OWNERS OF THE BONDS

No Acceleration. There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal of or interest on the Bonds. Consequently, the owners of the Bonds may have to enforce available remedies from year to year. However, see "State Intercept Program" herein.

POTENTIAL IMPACTS RESULTING FROM EPIDEMICS OR PANDEMICS

The School Corporation's finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics. The School Corporation cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the School Corporation, including but not limited to the payment of debt service on any of its outstanding debt obligations.

SCHOOL CORPORATION INDICATORS

Public Law 213-2018(ss) was enacted by the Indiana General Assembly in 2018 (the "DUAB Law"). The DUAB Law required the Distressed Unit Appeal Board, an entity previously established pursuant to IC 6-1.1-20.3-4 (the "DUAB") to establish a Fiscal and Qualitative Indicators Committee (the "Committee"), and for such Committee to select from a prescribed list the fiscal and qualitative indicators with which the DUAB would evaluate the financial conditions of Indiana public school corporations.

Further, pursuant to the DUAB Law, starting in June, 2019, the DUAB has been charged with making a determination of whether a corrective action plan is necessary for any school corporations, based upon a process of initial identification by the DUAB's executive director pursuant to such fiscal and qualitative indicators, and a contact and assessment of each such school corporation by the DUAB's executive director.

The DUAB will place a school corporation on its watch list under certain circumstances, if such school corporation fails to properly submit a corrective action plan, or if such school corporation is not compliant with its corrective action plan. Upon the state budget committee review of the school corporation's placement on the watch list, such placement will become public. Until such time, all reports, correspondence and other related records are not subject to public disclosure laws under State law. See IC 20-19-7-18.

A graphic summary of such fiscal and qualitative indicators, searchable for any specific Indiana public school corporation, can be found at: <https://www.in.gov/duab/school-corporation-fiscal-indicators/dashboard/>. (Some of such data may be less current than the data found in Appendix A hereto.)

CYBERSECURITY

The School Corporation relies on computer networks, data storage, collection and transmission to conduct the operations of the School Corporation and has implemented security measures to protect data and limit financial exposure, including securing cyber security insurance to assist with the reduction of potential risk of financial and operational damage resulting from network attacks. Even with these security measures, the School Corporation, its information technology, data stored by the School Corporation and its infrastructure may be vulnerable in the event of a deliberate system attack, including malware, ransomware, computer virus, employee error or general disruption. If breached or compromised, the networks could be disrupted and information could be accessed, disclosed, lost or stolen. The School Corporation acknowledges that its systems could be affected by a cybersecurity attack and that a loss, disruption or unauthorized access to data held by the School Corporation could have a material impact on the School Corporation's financial health and operations. Further, as cybersecurity threats evolve, the School Corporation will continue to evaluate and implement security measures and work to mitigate any vulnerabilities in its systems.

UNDERWRITING

The Bonds are being purchased by _____ (the "Underwriter") at a purchase price of \$ _____, which is the par amount of the Bonds of \$ _____ less the Underwriter's discount of \$ _____, plus/less the original [net] issue premium/discount of \$ _____. The Notice of Intent to Sell Bonds provides that all of the Bonds will be purchased by the Underwriter if any of such Bonds are purchased.

The Underwriter intends to offer the Bonds to the public at the offering prices set forth in the "Maturity Schedule" of this official statement. The Underwriter may allow concessions to certain dealers (including dealers in a selling group of the Underwriter and other dealers depositing the Bonds into investment trusts), who may reallow concessions to other dealers. After the initial public offering, the public offering price may be varied from time to time by the Underwriter.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"), the School Corporation has previously entered into a Master Continuing Disclosure Undertaking dated as of August 24, 2016, as amended by a First Amendment to Master Continuing Disclosure Undertaking dated as of November 14, 2019 and as previously supplemented by a First Supplement to Master Continuing Disclosure Undertaking, a Second Supplement to Master Continuing Disclosure Undertaking, a Third Supplement to Master Continuing Disclosure Undertaking, a Fourth Supplement to Master Continuing Disclosure Undertaking, a Fifth Supplement to Master Continuing Disclosure Undertaking, a Sixth Supplement to Master Continuing Disclosure Undertaking, a Seventh Supplement to Master Continuing Disclosure Undertaking, an Eighth Supplement to Master Continuing Disclosure Undertaking, and a Ninth Supplement to Master Continuing Disclosure Undertaking (as supplemented and amended, the "Original Undertaking"). In connection with the issuance of the Bonds the School Corporation will enter into a Tenth Supplement to the Original Undertaking (the "Supplement" and together with the Original Undertaking, the "Undertaking"), provided that the winning bidder is an underwriter and will be subject to the SEC Rule. Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix F.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or modification does not materially impair the interests of the holders of the Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Bonds pursuant to the terms of the Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking.

The purpose of the Undertaking is to enable the Underwriter to purchase the Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the Bonds, the Trust Indenture or any other agreement.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to the SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its continuing disclosure obligations. Based upon such review, the School Corporation is not aware of any instances in the previous five years in which the School Corporation has failed to comply in any material respects with previous undertakings. The School Corporation has instituted procedures for ongoing compliance with its undertakings. The School Corporation has retained BTMA (as hereinafter defined) as its dissemination agent.

FUTURE FINANCINGS

As of the date of the official statement, neither the School Corporation nor Building Corporation anticipate issuing additional debt in this calendar year. The School Corporation may issue additional bonds in the future to finance the continuation of the Project, which has been authorized at a maximum principal amount of \$99,850,000. The authorization includes the Bonds and the \$15,000,000 Ad Valorem Property Tax First Mortgage Bonds, Series 2025, dated October 28, 2025. After the issuance of the Bonds, the School Corporation will have approximately \$29,850,000 of authorization remaining. The School Corporation also received an additional, separate approval to issue up to \$15,700,000 in bonds in the coming years for a separate project.

The School Corporation periodically evaluates market conditions and outstanding financial obligations for refunding/refinancing opportunities and may issue refunding bonds if debt service savings can be achieved. The School Corporation also continuously examines the need to undertake additional capital projects and may issue debt to support future projects.

LITIGATION

To the knowledge of the officers for the School Corporation and the Building Corporation, there is no litigation pending, or threatened, against the School Corporation or the Building Corporation, which in any way questions or affects the validity of the Bonds, or any proceedings or transactions relating to the issuance, sale or delivery thereof.

The officers for the School Corporation and the Building Corporation will certify at the time of delivery of the Bonds that there is no litigation pending or in any way threatened questioning the validity of the Bonds, or any of the proceedings had relating to the authorization, issuance and sale of the Bonds, the Trust Indenture or the Project that would result in a material adverse impact on the financial condition of the School Corporation.

LEGAL MATTERS

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be available at the time of delivery of the Bonds. Bond Counsel has not been asked nor has it undertaken to review the accuracy or sufficiency of this official statement and will express no opinion thereon. See Appendix E: "Form of Opinion of Bond Counsel."

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Trust Indenture, or to the Building Corporation under the Lease, are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Trust Indenture and Lease may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the Building Corporation from time to time, but the Building Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to owners of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Trust Indenture and Lease in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

TAX DISCLOSURES

TAX MATTERS

In the opinion of Bond Counsel under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the Issuer with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State. This opinion relates only to the exemption of interest on the Bonds for State income tax purposes. See Appendix E "Form of Opinion of Bond Counsel."

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the exclusion from gross income of interest on the Bonds for federal income tax purposes. The Issuer will covenant not to take any action, within its power and control, nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Trust Indenture and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Trust Indenture if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the Bonds.

IC 6-5.5 imposes a franchise tax on certain taxpayers (as defined in IC 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus

associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix E hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

The Bonds are not bank qualified.

ORIGINAL ISSUE DISCOUNT

The initial public offering prices of the Bonds maturing on _____, 20__, through and including _____, 20__ (collectively, the "Discount Bonds"), is less than the principal amount payable at maturity. As a result, the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed on the "Maturity Schedule" hereof (assuming a substantial amount of such Discount Bond was sold at such price) and who holds such Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 and (with straight line interpolation between compounding dates).

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described above in "Tax Matters," the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the prices listed on the "Maturity Schedule" hereof should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial public offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed

to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

AMORTIZABLE BOND PREMIUM

The initial public offering prices of the Bonds maturing on ____, 20__, through and including ____, 20__, (collectively, the “Premium Bonds”), are greater than the principal amount payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the “Bond Premium”). An owner who acquires a Premium Bond in the initial public offering of the Bonds will be required to adjust the owner’s basis in the Premium Bond downward as a result of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Premium Bonds, including sale, redemption or payment at maturity. The amount of amortizable Bond Premium will be computed on the basis of the taxpayer’s yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of the Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found in Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their tax advisors concerning the treatment of Bond Premium.

MUNICIPAL ADVISOR

The School Corporation has retained Baker Tilly Municipal Advisors, LLC (the “Municipal Advisor” or “BTMA”) as municipal advisor in connection with certain aspects of the issuance of the Bonds. BTMA is a municipal advisor registered with the Securities and Exchange Commission and the Municipal Securities Rulemaking Board. BTMA is a subsidiary of Baker Tilly Advisory Group, LP (“BTAG”) which is indirectly owned by (a) H&F Waterloo Holdings, L.P., an affiliate of Hellman & Friedman LLC (“H&F”), an investment adviser registered with the Securities and Exchange Commission (the “SEC”), (b) Valeas Capital Partners Fund I Waterloo Aggregator LP, an affiliate of Valeas Capital Partners Management LP (“Valeas”), an investment adviser registered with the SEC, and (c) individuals who are principals of BTAG. None of these parties own a majority interest in BTAG, or indirectly, BTMA. Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, operate under an alternative practice structure and are members of the global network of Baker Tilly International, Ltd. Baker Tilly US, LLP (“BTUS”) is a licensed CPA firm providing assurance services to its clients. BTAG and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

BTMA has been retained by the School Corporation to provide certain municipal advisory services to School Corporation and, in that capacity, has assisted the School Corporation in preparing this official statement. The information contained in the official statement has been compiled from the sources stated or, if not otherwise sourced, from records and other materials provided by the School Corporation. The Municipal Advisor makes no representation, warranty or guarantee regarding the accuracy or completeness of the information in this official statement, and its assistance in preparing this official statement should not be construed as a representation that it has independently verified such information.

The Municipal Advisor’s duties, responsibilities and fees arise solely as Municipal Advisor to the School Corporation, and it has no secondary obligations or other responsibility. The Municipal Advisor’s fees are expected to be paid from proceeds of the Bonds. BTMA provides certain specific municipal advisory services to the School Corporation but is neither a placement agent to the School Corporation nor a broker/dealer.

BTAG also assists the School Corporation with reviewing certain financial statements, accounting assistance, budget development, financial projections, and other financial management services/support.

Other Financial Industry Activities and Affiliations:

Baker Tilly Wealth Management, LLC ("BTWM"), an SEC registered investment adviser, and Baker Tilly Capital, LLC ("BTC"), a broker/dealer registered with the SEC and member of the Financial Industry Regulatory Authority ("FINRA"), are controlled subsidiaries of BTAG. Both H&F and Valeas, are registered with the SEC as investment advisers and serve as managers of, or advisers to, certain private investment funds, some of which indirectly own BTAG.

BTWM and other subsidiaries of BTAG may provide advisory services to the clients of BTMA. BTMA has no other activities or arrangements that are material to its municipal advisory business or its clients with a related person who is a broker-dealer, investment company, other investment adviser or financial planner, bank, law firm or other financial entity.

OTHER POST-EMPLOYMENT BENEFITS

The School Corporation offers retiring full-time employees who have been employed a minimum of 20 years and are members of the group health insurance program at the time of their retirement the option to remain on the plan until age 65 or until such time as they qualify for Medicare benefits, whichever comes first. Prior to 2002, the School Corporation would pay for the employee's share of the group health insurance program policy cost. There are no longer any eligible pre-2002 employees. Since 2002, the retiring employees who elect to remain on the group health insurance plan are responsible for paying the full monthly benefit. Starting in 2017, retirees pay the full premium costs, and the School Corporation does not contribute.

Upon separation from the School Corporation, certified staff is paid a lump sum into a 403(b)-plan account for accumulated sick days. This lump sum for certified staff is calculated by multiplying the number of accumulated days by the base salary for a new certified staff employee, multiplied by 0.15%. For non-certified staff hired prior to January 1, 2020, employees receive their daily base pay rate multiplied by a percentage based on the number of years of service as follows: (1) 10 years of service – 50% of the daily rate; (2) 15 years of service – 75% of the daily rate; and (3) 20 years of service – 100% of the daily rate. For non-certified staff hired after January 1, 2020, the calculation for accumulated sick days is the same as certified staff. Administrators receive remaining vacation days (up to 20), as well as the same calculation for accumulated sick days as certified staff. An actuarial study was completed for the School Corporation in 2009 to estimate these amounts. The School Corporation uses its Education or Operations Funds or remaining proceeds from its pension bonds to pay for these post-employment benefits. The School Corporation paid out \$104,295 in sick days and severance payouts in 2025.

The School Corporation is not aware of any unfunded requirement; however, no actuarial study has been prepared by the School Corporation.

APPENDIX B

BOOK-ENTRY-ONLY

The Bonds will be available only in book entry form in the principal amount of \$5,000 or any integral multiple thereof. DTC will act as the initial securities depository for the Bonds. The ownership of one fully registered Bond for each maturity of the Bonds will be registered in the name of Cede & Co., as nominee for DTC or at the election of the winning bidder, to the purchaser.

SO LONG AS CEDE & CO, AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE BONDS, REFERENCES IN THIS OFFICIAL STATEMENT TO THE REGISTERED OWNERS (OR THE OWNERS) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners.

The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and payment of principal of, and interest on, the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or its agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or its agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or its agent. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

APPENDIX C

SUMMARY OF THE LEASE

The following is a summary of certain provisions of the Lease and does not purport to comprehensively describe that document in its entirety.

Acquisition and Construction of the Leased Premises

The Building Corporation is to cause the Leased Premises to be completed in accordance with the contract documents and the plans and specifications which have been prepared by or at the direction of the Building Corporation and approved by the School Corporation and applicable agencies. The plans and specifications may be changed at any time prior to the completion of the Leased Premises by mutual agreement of the Building Corporation and the School Corporation, except that such changes may not alter the character of the buildings or reduce the value thereof.

Lease Term and Rental

The Lease is for a thirty (30) year term which commenced, with regard to Tract I, on the date the Building Corporation acquired fee simple to Tract I of the Leased Premises and which commences, with regard to Tract II, on the date the Leased Premises are substantially completed and available for occupancy and expires on the date which is thirty (30) years later. By each rent payment date, the School Corporation is to pay the installment of rent due under the Lease. The Lease provides for rental during renovation solely as to Tract I in the amount of up to \$4,900,000 per payment payable on June 30 and December 31 which began on June 30, 2026 and continue until completion of the construction of the building on Tract II. Thereafter, each installment of rent is payable in advance for the following six-month period on June 30 and December 31, commencing on December 31, 2029, or on the date the Leased Premises are completed and ready for occupancy, whichever is later. The annual rent to be paid is \$9,800,000 per year, payable in equal semiannual installments. Completion of the Leased Premises is to be certified to the School Corporation by a representative of the Building Corporation pursuant to the Lease. The date the buildings are substantially completed and ready for occupancy shall be endorsed on the end of the Lease by the parties thereto as soon as can be done after the completion of the construction. The endorsement shall be recorded as an addendum to the Lease.

Maintenance and Modification

During the term of the Lease, the School Corporation is required to keep the Leased Premises in good repair and in good operating condition, ordinary wear and tear excepted. The School Corporation may, at its own expense and as part of the Leased Premises, make modifications of, additions and improvements to and substitutions for the Leased Premises, all of which become the property of the Building Corporation and are included as part of the Leased Premises under the terms of the Lease.

The School Corporation may, at its own expense, replace worn out or obsolete property and may install on the property on which the Leased Premises are situated personal property which is not an addition or improvement to, modification of or substitution for the Leased Premises, which will be the sole property of the School Corporation and in which the Building Corporation shall have no interest. The School Corporation may discard worn out or obsolete property and

need not replace it. Equipment or other personal property which becomes worn out or obsolete may be discarded or sold by Lessee. The proceeds of the sale of any personal property shall be paid to the Trustee. Lessee may trade in any obsolete or worn out personal property or replacement property which replacement property will belong to Lessee upon payment to the Trustee of an amount equal to the trade-in value of such property. Lessee need not replace worn out or obsolete personal property, but may replace such property at its own expense, and the replacement property shall belong to Lessee.

Property and Liability Insurance

The School Corporation is required to carry at its own expense, property insurance on the Leased Premises against physical loss or damage to the Leased Premises, however caused, with such exceptions only as are ordinarily required by insurers of buildings or facilities of a similar type, in an amount equal to one hundred percent (100%) of the full replacement cost of the mortgaged property. Any property insurance policy shall be so written or endorsed as to make any losses payable to the Building Corporation or to such other person or persons as the Building Corporation under the Lease may designate.

During the full term of the Lease, the School Corporation is required to maintain rent or rental value insurance in an amount equal to the full rental value of the Leased Premises for a period of two years. The insurance will protect against physical losses or damages similar to those covered under the property insurance policy held by the School Corporation.

Damage or Destruction

If the Leased Premises are damaged or destroyed (in whole or in part) by fire, windstorm or other casualty at any time during the term of the Lease, the Building Corporation is to promptly repair, rebuild or restore the portion of the Leased Premises damaged or destroyed with such changes, alterations and modifications (including substitutions and additions) as may be designated by the School Corporation for administration and operation of the Leased Premises and as shall not impair the character and significance of the Leased Premises as furthering the purposes of the Code.

If the Leased Premises are totally or substantially destroyed and the amount of insurance money received is sufficient to redeem all of the outstanding Bonds and all such Bonds are then subject to redemption, the Building Corporation, with the written approval of the School Corporation, may direct the Trustee to use net proceeds of insurance to call for redemption all of the Bonds then outstanding at the then current redemption price.

Rent Abatement and Rental Value Insurance

If the Leased Premises or a portion thereof are damaged or destroyed or is taken under the exercise of the power of eminent domain, the rent payable by the School Corporation shall be abated or reduced, provided there is rental value insurance in force as required by the Lease. The rent shall be totally abated during that portion of the Lease terms that the Leased Premises is totally unfit for use or occupancy. It shall be partially abated for the period and to the extent that the Leased Premises are partially unfit for use or occupancy in the same proportion that the floor area

of the Leased Premises so unfit for use or occupancy bears to the total floor area of the Leased Premises.

Taxes and Utility Charges

The School Corporation is to pay, as further rent, taxes and assessments lawfully assessed or levied against or with respect to the Leased Premises or any personal property or fixtures installed or brought in or on the Leased Premises, and all utility and other charges for or incurred in connection with the Leased Premises. The School Corporation may, at its own expense, in good faith contest any such taxes and assessments. The School Corporation shall also pay as additional rent, any amount required by the Building Corporation to rebate to the United States Government to prevent the Building Corporation's bonds from becoming arbitrage bonds.

Events of Default

The Lease provides that either of the following constitutes an "event of default" under the Lease:

- (a) Failure to pay any rentals or other sums payable to the Building Corporation under the Lease, or failure to pay any other sum therein required to be paid to the Building Corporation; or
- (b) Failure to observe any other covenant, agreement or condition under the Lease, and such default shall continue for sixty (60) days after written notice to correct the same.

Remedies

On the occurrence of an event of default under the Lease, the Trustee may proceed to protect and enforce its rights by suit or suits in equity or at law in any court of competent jurisdiction, whether for specific performance or any covenant or agreement contained therein, or for the enforcement of any other appropriate legal or equitable remedy; file a claim with the Treasurer of the State of Indiana for an amount equal to an amount in default, and may authorize or delegate the authority to file such claim; or the Building Corporation, at its option, without further notice, may terminate the estate and interest of the School Corporation thereunder, and it shall be lawful for the Building Corporation forthwith to resume possession of the Leased Premises and the School Corporation covenants to surrender the same forthwith upon demand. The exercise by the Building Corporation of the right to terminate the Lease shall not release the School Corporation from the performance of any obligation thereof maturing prior to the Building Corporation's actual entry into possession. No waiver by the Building Corporation of any right to terminate the Leases upon any default shall operate to waive such right upon the same or other default subsequently occurring.

The School Corporation may not assign the Lease or sublet the Leased Premises without the written consent of the Building Corporation. In the Lease, the School Corporation has covenanted to use and maintain the Leased Premises in accordance with the laws and ordinances of the United States of America, the State of Indiana, and all other proper governmental authorities. The School Corporation has also covenanted that it will not enter into any lease, management

contract or other contractual arrangement which would allow the use of the Leased Premises by a nongovernmental person which would have the effect of making the Building Corporation's bonds private activity bonds under Section 141 of the Internal Revenue Code of 1986.

Option to Purchase

The School Corporation has the option to purchase the Leased Premises on any rental payment date at a price which is sufficient to allow the Building Corporation to liquidate by paying or providing for the payment in full of the then outstanding bonds pursuant to the redemption provisions.

Option to Renew

The School Corporation has an option to renew the Lease for a further like or lesser term upon the same terms and conditions provided in the Lease.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE

The following is a brief summary of certain provisions of the Trust Indenture, as supplemented and does not purport to comprehensively describe that document in its entirety.

Application of Bond Proceeds

Proceeds in an amount equal to costs of issuance shall be deposited in the 2026 Bond Issuance Expense Account of the Construction Fund. The remaining proceeds of the Bonds shall be deposited in the 2026 Construction Account of the Construction Fund and used to pay costs of construction.

Construction Fund, Sinking Fund, Operation and Reserve Fund and Rebate Fund

There are created under the Trust Indenture the following funds: (1) the Portage Township Multi-School Building Corporation Construction Fund (the "Construction Fund"), (2) the Portage Township Multi-School Building Corporation Sinking Fund (the "Sinking Fund"), (3) the Portage Township Multi-School Building Corporation Operation and Reserve Fund (the "Operation and Reserve Fund"), and (4) the Portage Township Multi-School Building Corporation Rebate Fund (the "Rebate Fund").

The Construction Fund will be used to finance the renovation of and improvements to facilities throughout the School Corporation, including the construction of additions, the construction of a replacement middle school building which will involve the demolition of Aylesworth Elementary School, site improvements and the purchase of equipment and technology (the "Project"), to pay costs of issuance of the Bonds and to pay interest on the Bonds during construction. Any moneys remaining in the Construction Fund one year after completion of the Project will be transferred to the Operation and Reserve Fund.

The Trustee shall deposit in the Sinking Fund created pursuant to the Trust Indenture, from each rental payment received, the lesser of (1) all of such payment or (2) an amount which, when added to the amount already on deposit, equals the unpaid interest on the Bonds due within fifteen (15) days after the due date of such rental payment and the unpaid principal and mandatory sinking fund redemption payment of the Bonds due within twenty (20) days after the due date of such rental payment. Any portion of a rental payment remaining after such deposit shall be deposited by the Trustee in the Operation and Reserve Fund. The Trustee shall from time to time pay from the Sinking Fund the principal of the Bonds at maturity or upon mandatory sinking fund redemption and the interest as it falls due.

The Operation and Reserve Fund shall be used only (a) to pay necessary incidental expenses of the Building Corporation, including Trustee's fees, (b) if the amount in the Sinking Fund at any time is less than the required amount, to transfer funds to the Sinking Fund in an amount sufficient to raise the amount in the Sinking Fund to the required amount, (c) if the Bonds are called for redemption, to pay the principal, interest, and redemption premium, if any, on the Bonds, (d) to purchase Bonds in the open market, and (e) if the amount in the Rebate Fund is less than the rebate amount, to transfer funds to the Rebate Fund. The incidental expenses may be paid by the Trustee upon the presentation of an affidavit executed by any officer of the Building

Corporation or the Lessor Representative together with the creditor's statement as to the amount owing.

The Rebate Fund shall be used to make any rebate to the United States of America required to prevent the Bonds from becoming "arbitrage bonds" under the Code. If an exception to rebate is not met, the Building Corporation shall be required to calculate or cause to be calculated at the five year anniversary the amount of such rebate (the "Rebate Amount"). In the alternative, the Building Corporation may elect to pay the penalty required by Section 148(f)(4)(C)(vii) of the Code, as amended. In that event, the Building Corporation shall compute or cause to be computed each six months, the amount of such penalty and provide the Trustee a copy of such calculation. In either event, the Trustee is to deposit the amount so calculated to the credit of the Rebate Fund from any available funds (other than moneys in the Sinking Fund). The Trustee is further required to pay the Rebate Amount or penalties in lieu of rebate together with all investment earnings thereon to the United States of America, in the amount and at such times as shall be advised by the Building Corporation or nationally recognized bond counsel as required by the Code or applicable regulations.

Whenever the amounts contained in the Sinking Fund and the Operation and Reserve Fund are sufficient together with all other funds deposited with the Trustee by the Building Corporation (other than deposits to the Rebate Fund), to redeem, upon the next redemption date, all the Bonds secured by the Trust Indenture then outstanding, the Trustee shall apply the amounts in such Funds to the redemption of such Bonds pursuant to the Trust Indenture.

Investment of Funds

The Trustee shall invest the moneys in funds created in the Trust Indenture in (i) direct obligations (other than an obligation subject to variation in principal repayment) of the United States of America ("United States Treasury Obligations"), (ii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (iii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (iv) Federal Housing Administration debentures, (v) Federal Home Loan Mortgage Corporation participation certificates and senior debt obligations (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (vi) Farm Credit Bank consolidated system wide bonds and notes, (vii) Federal Home Loan Banks consolidated debt obligations, (viii) Federal National Mortgage Association senior debt obligations and mortgage backed securities (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (ix) unsecured certificates of deposit, time deposits and bankers' acceptances of any bank (including the Trustee and its affiliates) the short term obligations of which are rated "A 1" or better by S&P Global Ratings having an original maturity of not more than 360 days, (x) commercial paper (having original maturities of not more than 270 days) rated "A 1+" by S&P Global Ratings and "Prime 1" by Moody's at the time of purchase, (xi) evidence of ownership of proportionate interests in future interest and principal payments on obligations described above held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying government obligations are not available to any person claiming through the custodian

or to whom the custodian may be obligated, (xii) deposits the aggregate amount of which are fully insured by the Federal Deposit Insurance Corporation (FDIC), including CDARS, (xiii) State and Municipal Obligations, which means (a) direct general obligations of any state of the United States of America or any subdivision or agency thereof to which is pledged the full faith and credit of a state the unsecured general obligation debt of which is rated in the two highest rating categories by S&P Global Ratings or Moody's at the time of purchase, or any obligation fully and unconditionally guaranteed by any state, subdivision or agency whose unsecured general obligation debt is so rated, (b) direct general short-term obligations of any state agency or subdivision or agency thereof described in (a) above and rated "A-1+" by S&P Global Ratings or "MIG-1" by Moody's at the time of purchase, (c) Special Revenue Bonds (as defined in the United States Bankruptcy Code) of any state, state agency or subdivision described in (a) above and rated in the two highest rating categories by S&P Global Ratings or Moody's at the time of purchase, (xiv) money market funds, which funds may be funds of the Trustee or its affiliates, including those for which the Trustee or an affiliate performs services for a fee, whether as a custodian, transfer agent, investment advisor or otherwise, and which funds are rated "AAAm" or "AAAm-G" by S&P Global Ratings, (xv) repurchase and reverse repurchase agreements collateralized with Government Securities, including those of the Trustee of any of its affiliates, (xvi) investment deposit agreements constituting an obligation of a bank (including the Trustee and its affiliates), whose outstanding unsecured long term debt is rated at the time of such agreement in any of the two highest rating categories by S&P global Ratings or Moody's, or (xvii) U.S. dollar denominated deposit accounts, federal funds and banker's acceptances with domestic banks whose short term certificates of deposit are rated on the date of the purchase in any of the two highest rating categories by any S&P Global Ratings or Moody's and maturing no more than 360 days after the date of the purchase. Any income or interest realized upon any such investment shall be credited and any loss shall be charged to the Fund or Account from which the moneys were invested. Securities purchased with moneys from the Sinking Fund or the Rebate Fund shall mature prior to the time the moneys invested will be needed to pay the amounts which must be paid from such funds. Moneys in the Sinking Fund and Rebate Fund shall be invested without restriction as to yield during an applicable temporary period pending their use. Moneys in the Construction Fund after one (1) year of the date of issuance of the Bonds and the Operation and Reserve Fund after 30 days of the date of deposit shall be invested at a yield not exceeding the yield on the Bonds.

Covenants

The Building Corporation covenants, among other things that:

- (a) it has entered into a valid and binding lease of the mortgaged property to the School Corporation, and that a full, true and correct copy of the Lease is on file with the Trustee; that construction will begin promptly upon receipt by the Trustee of bond proceeds and that it will complete such construction with all expedition practicable in accordance with the plans and specifications referred to in the Lease;
- (b) it will faithfully perform all provisions contained in each Bond and the Trust Indenture and will punctually pay the principal of, premium, if any, and interest on the Bonds;

- (j) the proceeds of the Bonds, any moneys received from lease rentals payable according to the Lease, amounts received from the investment of the proceeds of the Bonds or other amounts received shall not be invested in such manner which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code; and
- (k) in order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the Bonds, no proceeds thereof will be loaned to any entity or person, nor will they be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of such proceeds. Furthermore, the Building Corporation will, to the

extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on such proceeds or other moneys treated as such proceeds to the United States Government and will set aside such moneys in the Rebate Fund to be held by the Trustee in trust for such purposes. Additionally, the Building Corporation covenants that it will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code.

Insurance

The Building Corporation covenants that during construction of the Project it will carry or cause the School Corporation to carry the following kinds of risks insurance: (a) builders risk insurance in the amount of 100% of the insurable value of the mortgaged property against physical loss or damage, (b) business income coverage or other similar insurance providing "rental value" coverage and naming the Lessor as an additional insured, which such "rental value" coverage shall include limits in an amount at least sufficient to meet the payments for two (2) years of the net rent, impositions and other charges provided for in the Lease, and (c) bodily injury and property damage insurance for damages for bodily injury, including accidental death, as well as claims for property damages which may arise from such construction.

The Building Corporation further covenants that all contracts for the construction of the Project will or do require the contractor to carry such insurance as will protect the contractor from liability under the Indiana Worker's Compensation and Worker's Occupational Disease Act.

The Building Corporation covenants to carry or cause the School Corporation to carry the following kinds of insurance after completion of construction: (a) physical loss or damage insurance on the mortgaged property in the amount of the full replacement cost of the property; (b) business income coverage or other similar insurance providing "rental value" coverage and naming the Lessor as an additional insured. Such "rental value" coverage shall include limits in an amount at least sufficient to meet the payments for two (2) years of the net rent, impositions and other charges provided for in the Lease, and (c) bodily injury and property damage insurance naming the Corporation as an insured against claims for damages for bodily injury, including accidental death, as well as claims for property damages with reference to the Leased Premises in an amount not less than One Million Dollars (\$1,000,000) on account of each occurrence.

The proceeds of any insurance shall be applied by the Building Corporation to the repair, replacement or reconstruction of any damaged or destroyed property, if the cost of such repair, replacement or reconstruction does not exceed the proceeds of insurance. In addition, the Trustee may repair, replace, or reconstruct the mortgaged property if the Building Corporation fails to do so. If, at any time, the mortgaged property is totally or substantially destroyed, and the amount of insurance moneys received on account thereof by the Trustee is sufficient to redeem all of the outstanding Bonds, the Building Corporation with the written approval of the School Corporation may direct the Trustee to use said money for the purpose of calling for redemption all of the Bonds issued and then outstanding under the Trust Indenture at the then current redemption price.

Events of Default and Remedies

Events of default under the Trust Indenture include: failure to pay the principal of, or the redemption premiums, if any, on any of the Bonds; failure to pay interest on the Bonds as it becomes due and payable; occurrence of certain events of bankruptcy or insolvency of the Building Corporation; default in the performance or observance of any other of the covenants, agreements or conditions by the Building Corporation under the Trust Indenture and the continuance of such default for sixty (60) days after written notice; failure of the Building Corporation to bring suit to mandate the appropriate officials of the School Corporation to levy a tax to pay the rentals provided under the Lease; and nonpayment of the lease rental within 90 days of when due as provided under the Lease.

Upon the happening and continuance of any event of default, the Trustee may, and upon written request of the holders of twenty-five percent (25%) in principal amount of the Bonds then outstanding and upon being indemnified to its reasonable satisfaction shall, declare the principal amount of and interest accrued on all outstanding Bonds immediately due and payable; subject, however, to the rights of the holders of the majority in principal amount of all the outstanding Bonds to annul such declaration if all such events have been cured, all arrears of interest have been paid and all other indebtedness secured by the Trust Indenture except the principal and interest not then due has also been paid.

Upon the occurrence of one or more events of default, the Building Corporation, upon demand of the Trustee, shall forthwith surrender the possession of the property and the Trustee may take possession of all the mortgaged property and hold, operate and manage the same for the purpose of insuring payments on the Bonds until the event of default has been cured.

Upon the occurrence of one or more events of default, the Trustee may, and shall upon written request of the holders of at least twenty-five percent (25%) in principal amount of the Bonds then outstanding and upon being indemnified to its reasonable satisfaction, pursue any available remedy by suit at law or in equity, whether for specific performance of any covenant or agreement contained in the Trust Indenture or in aid of any power granted therein, or for any foreclosure of the Trust Indenture including, to the extent permitted by law, the appointment of a receiver.

Any sale made either under the Trust Indenture, to the extent permitted by law, or by judgment or decree in any judicial proceeding for foreclosure shall be conducted as required by the Trust Indenture. The proceeds of any such sale shall be applied to pay the costs and expenses of the sale or judicial proceedings pursuant to the sale, the expenses of the Trustee and the holders of the Bonds, with interest at the highest rate of interest on any of the Bonds when sold, and the payment of the installments of interest which are due and unpaid in the order of their maturity, next, if the principal of the Bonds is due, to the payment of the principal thereof and the accrued interest thereon pro rata. No holder of all of the Bonds shall have the right to institute any proceeding in law or in equity for the foreclosure of the Trust Indenture, the appointment of a receiver, or for any other remedy under the Trust Indenture without complying with the provisions of the Trust Indenture.

Supplemental Indentures

The Building Corporation and the Trustee may, without obtaining the approval of the holders of the Bonds, enter into supplemental indentures to cure any ambiguity or formal defect or omission in the Trust Indenture; or to grant to the Trustee for the benefit of such holders any additional rights, remedies, powers, authority or security that may be lawfully granted; or to provide for the issuance of additional parity bonds to finance (i) the payment of claims of contractors, subcontractors, materialmen or laborers or fees; (ii) the completion of construction; (iii) the payment of costs of improvements to the mortgaged property; and (iv) a partial refunding of the Bonds.

The holders of not less than 66-2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time except when contrary to the Trust Indenture, to approve the execution by the Building Corporation and the Trustee of such supplemental indentures, except no supplemental indenture shall permit:

- (a) An extension of the maturity of the principal of or interest on any Bond;
- (b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest;
- (c) The creation of a lien upon the mortgaged property taking priority or on a parity with the lien created by the Trust Indenture;
- (d) A preference or priority of any Bond or Bonds over any other Bond or Bonds; or
- (e) A reduction in the aggregate principal amount of the Bonds required for consent to supplemental indentures.

If the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as provided in the Trust Indenture, no owner of any bond shall have any right to object to the execution of such supplemental indenture or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Building Corporation from executing the same, or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental indenture pursuant to the provisions of the Trust Indenture, the Trust Indenture shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Trust Indenture of the Building Corporation, the Trustee, and all owners of bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Possession Until Default, Defeasance, Payment, Release

Subject to the rights of the Trustee and the holders of the Bonds in the event of the occurrence and continuance of an event of default, the Building Corporation shall have the right of full possession, enjoyment and control of all the mortgaged property. While in possession of the mortgaged property, and while not in default under the Trust Indenture, the Building Corporation shall have the right at all times to alter, change, add to, repair, or replace any of the property constituting a part of the mortgaged property so long as the value of the mortgaged property and the security of the Bonds shall not be substantially impaired or reduced. The Trustee may release any mortgaged property which has become unfit or unnecessary for use pursuant to the Trust Indenture. If new property is purchased or acquired in substitution for the mortgaged property so released, the new property shall become subject to the lien and the operation of the Trust Indenture. If no new property is purchased with the proceeds of any sale or mortgaged property within ninety (90) days after the receipt of the proceeds, the proceeds shall be deposited in the Operation and Reserve Fund.

The Building Corporation may pay and discharge the entire indebtedness on all Bonds outstanding:

- (a) by paying the whole amount of the principal and interest and the premium if any, due and payable upon all of the Bonds then outstanding; or
- (b) by depositing with the Trustee (i) sufficient money, (ii) direct obligations of the United States of America (the "Government Securities") or (iii) time certificates of deposit of a bank or banks secured as to both principal and interest by Government Securities in amounts sufficient to pay or redeem all Bonds outstanding.

If the whole amount of the principal, premium, if any, and interest so due and payable upon all of the Bonds then outstanding shall be paid or provision made for payment, then the right, title and interest of the Trustee shall thereupon cease, terminate and become void. Upon termination of the Trustee's title, the Trustee shall release the Trust Indenture and return to the Building Corporation any surplus in the Sinking Fund and Operation and Reserve Fund and any other funds other than moneys held for redemption or payment of Bonds.

APPENDIX E

_____, 2026

_____, _____

Re: Portage Township Multi-School Building Corporation
Ad Valorem Property Tax First Mortgage Bonds, Series 2026
Total Issue: \$ _____
Original Date: _____, 2026

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Portage Township Multi-School Building Corporation (the "Issuer") of \$ _____ of Ad Valorem Property Tax First Mortgage Bonds, Series 2026 dated as of _____, 2026 (the "Bonds"), pursuant to Indiana Code § 20-47-3 (the "Act") and a Trust Indenture between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), dated as of October 1, 2025, as supplemented by a First Supplemental Trust Indenture, dated as of _____ 1, 2026 (as supplemented, the "Indenture"). We have examined the law and the certified transcript of proceedings of the Issuer and the Portage Township Schools (the "School Corporation") relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render these opinions. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's and the School Corporation's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have also relied upon a commitment for title insurance as to title to the real estate described in the Indenture.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated _____, 2026 or the Final Official Statement dated _____, 2026 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Lease Agreement (the "Lease") between the Issuer, as lessor, and the School Corporation, as lessee, executed as of April 14, 2025, and with a term of thirty (30) years, has been duly entered into in accordance with the provisions of the Act, and is a valid and binding Lease. All taxable property in the School Corporation is subject to ad valorem taxation to pay

the Lease rentals; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of its Lease rentals in an amount sufficient to pay the Lease rentals, regardless of any reduction in property tax collections due to the application of such tax credits. Pursuant to the Lease, the School Corporation is required by law annually to pay the Lease rentals which have commenced with regard to (Tract I) (as defined in the Lease), with rental during renovation which began on June 30, 2026, and which increased rental during renovation payments will begin June 30, 2027 through the completion of Tract II (as defined in the Lease); and which increased full Lease rental payments will commence with regard to the Leased Premises (as defined in the Lease), full Lease rentals beginning with the of completion of construction, renovation and improvements of Tract II or December 31, 2029, whichever is later.

2. The Issuer has duly authorized, sold, executed and delivered the Bonds and has duly authorized and executed the Indenture securing the same, and the Indenture has been duly recorded. The Bonds are the valid and binding obligations of the Issuer secured on a parity basis with the Issuer's Ad Valorem Property Tax First Mortgage Bonds, Series 2025 by a mortgage on the property described in the Indenture. Any foreclosure of the mortgage would, if the School Corporation is not in default in the payment of rentals as provided in the Lease, be subject to the rights of the School Corporation under the Lease.

3. Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

4. Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income of the owners for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned upon compliance by the Issuer and the School Corporation subsequent to the date hereof with the Tax Representations. Failure to comply with the Tax Representations could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issuance.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability of the Bonds and the Indenture, as well as the rights of the Issuer, the School Corporation and the Trustee and the enforceability of the Lease may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

Section 2. Obligations; Term. (a) This Master Undertaking applies to the Obligations.

(b) The term of this Master Undertaking extends from the date of delivery of the Master Undertaking by the Obligor to the earlier of (i) the date of the last payment of principal or redemption price, if any, of, and interest to accrue on, all Obligations or (ii) the date all Obligations are defeased under the respective trust indentures or respective resolutions.

Section 3. Obligated Persons. The Obligor hereby represents and warrants as of the date hereof that the only Obligated Person with respect to the Obligations is the Obligor. If any such person is no longer committed by contract or other arrangement to support payment of the Obligations, such person shall no longer be considered an Obligated Person within the meaning of the SEC Rule and the continuing obligation under this Master Undertaking to provide annual financial information and notices of events shall terminate with respect to such person.

Section 4. Provision of Financial Information. (a) The Obligor hereby undertakes to provide, with respect to the Obligations, the following financial information, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) To the MSRB, the audited financial statements of the Obligor as prepared and examined by the Indiana State Board of Accounts on a biennial basis for each period of two fiscal years, together with the opinion of the reviewers thereof and all notes thereto (collectively, the "Audited Information"), by the June 30 immediately following each biennial period beginning June 30, 2018, and shall be made by June 30 every two years thereafter, if the Audited Information is delivered to the Obligor by June 30 of each biennial period. If, however, the Obligor has not received the Audited Information by such June 30 biennial date, the Obligor agrees to (i) post a voluntary notice to the MSRB by June 30 of such biennial period that the Audited Information has not been received, and (ii) post the Audited Information within 60 days of the Obligor's receipt thereof; and
- (2) To the MSRB, no later than June 30 of each year beginning June 30, 2017, the most recent unaudited annual financial information for the Obligor including (i) unaudited financial statements of the Obligor, and (ii) operating data (excluding any demographic information or forecast) of the general type provided under the general categories of headings as described below (collectively, the "Annual Information"), which Annual Information may be provided in such format and under such headings as the School Corporation deems appropriate:

(b) If any Annual Information or Audited Information relating to the Obligor referred to in paragraph (a) of this Section 4 no longer can be provided because the operations to which they relate have been materially changed or discontinued, a statement to that effect, provided by the Obligor to the MSRB, along with any other Annual Information or Audited Information required to be provided under this Agreement, shall satisfy the undertaking to provide such Annual Information or Audited Information. To the extent available, the Obligor shall cause to be filed along with the other Annual Information or Audited Information operating data similar to that which can no longer be provided.

(c) The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit B attached hereto.

(d) The Obligor agrees to make a good faith effort to obtain Annual Information and Audited Information. However, failure to provide any component of Annual Information and Audited Information, because it is not available to the Obligor on the date by which Annual Information is required to be provided hereunder, shall not be deemed to be a breach of this Master Undertaking. The Obligor further agrees to supplement the Annual Information or Audited Information filing when such data is available.

(e) Annual Information or Audited Information required to be provided pursuant to this Section 4 may be provided by a specific reference to such Annual Information or Audited Information already prepared and previously provided to the MSRB. Any information included by reference shall also be (i) available to the public on EMMA at www.emma.msrb.org, or (ii) filed with the SEC.

(f) All continuing disclosure filings under this Master Undertaking shall be made in accordance with the terms and requirements of the MSRB at the time of such filing. As of the date of this Master Undertaking, the SEC has approved the submission of continuing disclosure filings on EMMA, and the MSRB has requested that such filings be made by transmitting such filings electronically to EMMA currently found at www.emma.msrb.org.

Section 5. Accounting Principles. The Annual Information will be prepared on a cash basis as prescribed by the State Board of Accounts, as in effect from time to time, as described in the auditors' report and notes accompanying the audited financial statements of the

Obligor or those mandated by state law from time to time. The Audited Information of the Obligor, as described in Section 4(a)(1) hereof, will be prepared in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) non-payment related defaults;
- (2) modifications to rights of Holders;
- (3) bond calls;
- (4) release, substitution or sale of property securing repayment of the Obligations;
- (5) the consummation of a merger, consolidation, or acquisition, or certain asset sales, involving the obligated person, or entry into or termination of a definitive agreement relating to the foregoing; and
- (6) appointment of a successor or additional trustee or the change of name of a trustee.

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) principal and interest payment delinquencies;
- (2) unscheduled draws on debt service reserves reflecting financial difficulties;
- (3) unscheduled draws on credit enhancements reflecting financial difficulties;
- (4) substitution of credit or liquidity providers, or their failure to perform;
- (5) defeasances;
- (6) rating changes;
- (7) adverse tax opinions or events affecting the status of the Obligations, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed

Issue (IRS Form 5701-TEB) or other material events, notices or determinations with respect to the tax status of the Obligations;

- (8) tender offers; and
- (9) bankruptcy, insolvency, receivership or similar event of the obligated person.

The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit C attached hereto.

Section 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

Section 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

Section 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued

only by holders of not less than 25% in principal amount of Obligations then outstanding in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

Section 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

Section 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

Section 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

Section 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14. Successors and Assigns. All covenants and agreements in this Master Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

IN WITNESS WHEREOF, the Obligor has caused this Master Undertaking to be executed as of the day and year first hereinabove written.

**FIRST AMENDMENT TO
MASTER CONTINUING DISCLOSURE UNDERTAKING**

This FIRST AMENDMENT TO MASTER CONTINUING DISCLOSURE UNDERTAKING, dated as of November 14, 2019 (the "Amendment") amends the Master Continuing Disclosure Undertaking dated as of August 24, 2016, as previously supplemented by a First Supplement to Master Continuing Disclosure Undertaking, a Second Supplement to Master Continuing Disclosure Undertaking and a Third Supplement to Master Continuing Disclosure Undertaking (the "Original Undertaking"). The Amendment is being entered into by the Portage Township Schools (the "Obligor") for the purpose of incorporating changes to the Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "SEC Rule") as described in the 2018 Amendments (as hereinafter defined). The Original Undertaking as amended by the Amendment is referred to herein as the "Master Undertaking".

WITNESSETH THAT:

WHEREAS, the Original Undertaking is being amended to modify Section 6 thereof pursuant to SEC Release No. 34-83885, dated August 20, 2018 (the "2018 Amendments"), and does not require the consent of existing Holders of Obligations because (i) this Amendment is entered into due to a change in circumstances that arises from a change in legal requirements or change in law, (ii) the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendments or modifications herein do not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment, as determined by nationally recognized bond counsel; and

WHEREAS, the Obligor finds that this Amendment is being entered into in connection with a change in circumstances that arises from a change in legal requirements and a change in law; and

WHEREAS, the Obligor further finds that the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof; and

WHEREAS, upon a determination by nationally recognized bond counsel, the Obligor further finds that this Amendment does not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment; and

WHEREAS, the Obligor is an Obligated Person (as defined in the SEC Rule) because the only sources of funds pledged to pay the principal and interest due on the Obligations are (i) lease rental payments (in addition to bond proceeds held under one or more trust indentures) due under one or more lease agreements pursuant to which the Obligor is a party, and/or (ii) the tax levy of the Obligor;

NOW, THEREFORE, in consideration of the payment for and acceptance of the Portage Township Schools General Obligation Bonds of 2019 (the "2019 Bonds") and any Obligations issued after the date of this Amendment, the Original Undertaking is hereby amended as follows:

Section 1. Definitions. In this Amendment, words and terms not defined shall have the meaning prescribed in the Original Undertaking unless the context otherwise dictates.

"Financial Obligation" means a debt obligation; derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, but does not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the SEC Rule."

Section 2. Solely as to the 2019 Bonds and any Obligations issued after the date of this Amendment, Section 6 of the Original Undertaking is hereby replaced and shall read as follows:

"Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) non-payment related defaults;
- (2) modifications to rights of Holders;
- (3) bond calls;
- (4) release, substitution or sale of property securing repayment of the Obligations;

- (6) appointment of a successor or additional trustee or the change of name of a trustee; and
- (7) solely as to the 2019 Bonds and any Obligations issued after the date of this Amendment, incurrence of a Financial Obligation (as defined in the SEC Rule) of the Obligor or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Obligor, any of which affect security holders.

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) principal and interest payment delinquencies;
- (2) unscheduled draws on debt service reserves reflecting financial difficulties;
- (3) unscheduled draws on credit enhancements reflecting financial difficulties;
- (4) substitution of credit or liquidity providers, or their failure to perform;
- (5) defeasances;
- (6) rating changes;
- (7) adverse tax opinions or events affecting the status of the Obligations, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material events, notices or determinations with respect to the tax status of the Obligations;
- (8) tender offers;
- (9) bankruptcy, insolvency, receivership or similar event of the obligated person; and
- (10) solely as to the 2019 Bonds and any Obligations issued after the date of this Amendment, default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Obligor, any of which reflect financial difficulties."

APPENDIX G

AUDIT REPORT FOR THE PERIOD JULY 1, 2023 - JUNE 30, 2025

The School Corporation's above-referenced Audit Report may be accessed on the Municipal Securities Rulemaking Board's (MSRB) Electronic Municipal Market Access (EMMA) website, located [here](#).

APPENDIX H

APPENDIX H

This Appendix H is based on Alternative II (Hold-the-Offering-Price Rule May Apply if Competitive Sale Requirements are Not Satisfied) contained in the Model Issue Price Documents published by SIFMA on May 1, 2017. The Portage Township Multi-School Building Corporation (the "Issuer") intends that in the event the competitive sale requirements are not satisfied, the issue price will be determined by one or more of the following: (1) as of the date and time of the award, certification by the bidder as to maturities that meet the 10% test (as defined below) or (2) on the date of Closing, certification by the bidder as to maturities that meet the hold-the-offering-price rule (as defined below).

(a) By submitting a bid, a winning bidder agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Schedule I, with respect to Bonds that satisfy the competitive sale requirements (as described below) or Schedule II, with respect to Bonds that do not satisfy the competitive sale requirements, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the Issuer and Bond Counsel.

All actions to be taken by the Issuer to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor identified in the Official Statement and any notice or report to be provided to the Issuer may be provided to the Issuer's financial advisor.

(b) The Issuer intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the Issuer shall disseminate the Notice of Intent to Sell Bonds (the "Notice") to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Issuer may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in the Notice.

(c) Any bid submitted pursuant to the Notice shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. In the event that the competitive sale requirements are not satisfied, the Issuer shall so advise the winning bidder. The Issuer may determine to treat (i) the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity (the "hold-the-offering-price rule"), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the Issuer if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The Issuer shall promptly advise the winning bidder, at or before the time of award of the Bonds, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the Issuer determines to apply the hold-the-offering-price rule to any maturity of the Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Bonds. Upon confirmation between the winning bidder and the Issuer of which maturities will meet the 10% test and which will be subject to the hold-the-offering-price rule, the winning bidder and the Issuer will execute and deliver a certificate substantially in the

form attached hereto as Schedule III. Such certificate will be delivered by the Issuer as soon as practicable following the award and the winning bidder shall execute and deliver the same back to the Issuer no later than the close of business on the day of the award.

(d) By submitting a bid, the winning bidder shall confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder. The winning bidder further shall agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the Issuer promptly after the close of the fifth (5th) business day after the Sale Date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) The Issuer acknowledges that, in making representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% test has been satisfied as to the Bonds of that maturity provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon the request of the winning bidder; and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (B) to promptly notify the winning bidder of any sales of Bonds that, to its knowledge, are made to a purchaser who

is a related party to an underwriter participating in the initial sale of the Bonds to the Public, and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the Public, (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% test has been satisfied as to the Bonds of that maturity provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable, periodic intervals or otherwise upon request of the Issuer or bond counsel and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

Additionally, upon request, the written responses will be emailed to any other interested offeror. Offerors should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

The Corporation reserves the right to adjust the maturity schedule following the receipt of offers in order to accomplish the Corporation's financial objectives by reallocating debt service based upon the rates offered by the successful offeror (the "Purchaser").

The Bonds are redeemable prior to maturity at the option of the Corporation, in whole or in part in such order of maturity as the Corporation shall direct and by lot within maturity, on or after _____, at face value plus accrued interest to the date of redemption.

An offer may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing true interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

Each offer must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th or 1/100th of 1%. The maximum

interest rate on the Bonds shall not exceed 5.50% per annum. All Bonds maturing on the same date shall bear the same rate. Offers shall set out the total amount of interest payable over the term of the Bonds and the true interest cost on the Bonds covered by the offer. No offer for less than 99.50% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive offeror who has submitted an offer in accordance herewith.

The winning offeror will be the one who offers the lowest true interest cost to the Corporation. The true interest cost rate is that rate which, when used to compute the total present value as of the date of delivery of the Bonds of all debt service payments on the Bonds on the basis of semiannual compounding, produces an amount equal to the sum of the par value of the Bonds minus any premium offer plus any discount. In the event of an offeror's error in interest cost rate calculations, the interest rates and premium, if any, set forth or incorporated by reference in the official offer form will be considered as the intended offer. No conditional offers will be considered. The right is reserved to reject any and all offers.

A good faith deposit ("Deposit") in the form of cash, wire transfer or certified or cashier's check in the amount of 1% of the par amount of the Bonds, payable to the order of the Corporation, is required to be submitted by the Purchaser not later than 3:30 p.m. (Indianapolis Time) on the next business day following the award. If such Deposit is not received by that time, the Corporation may reject the offer. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted offer, the Deposit will be retained by the Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the offer upon request in writing, filed with the Corporation. Unless otherwise requested by the winning offeror, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the offer form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their offer to assist the Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Corporation and Ice Miller LLP ("Bond Counsel").

Offerors must comply with the rules of PARITY® in addition to requirements of this Notice. To the extent there is a conflict between the rules of PARITY® and this Notice, this Notice shall control. Offerors may change and submit offers as many times as they wish during the sale, but they may not withdraw a submitted offer. The last offer submitted by an offeror

prior to the deadline for the receipt of offers will be compared to all other final offers to determine the winning offer. During the sale, no offeror will see any other offeror's offer, nor will they see the status of their offer relative to other offers (e.g., whether their offer is a leading offer).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful offeror therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the Purchaser at the expense of the Corporation.

The Corporation was organized for the purpose of constructing and renovating school buildings and leasing such buildings to the School Corporation. All action has been taken and the Bonds are issued in compliance with the provisions of I.C. 20-47-3 (the "Act"). The Bonds will be secured by a Trust Indenture, as supplemented (the "Indenture") between the Corporation

and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and will be subject to the terms and provisions of the Indenture. The Corporation will certify as to facts to support the conclusion that the Bonds do not constitute private activity bonds as defined in Section 141 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code").

The property to be covered by the Indenture has been leased for a period of thirty (30) years to the School Corporation.
