1 The total 2015 revenue has been reported under the accrual basis of accounting in conformity with generally accepted accounting principles (GAAP).

2 For the purposes of computing the annualized amount per \$10,000 of assets, Edward Jones has categorized the entire revenue sharing arrangement with American Funds Distributors, Inc. (“American Funds”) as an asset fee because American Funds has not distinguished to Edward Jones the breakdown of the revenue arrangement between asset fees and sales fees. If the entire revenue sharing arrangement was categorized as sales fees, the amount would be \$24.71 per \$10,000 purchased. American Funds has not distinguished the portion of its annual revenue sharing payment that is attributable to Edward Jones’ sales of interests in the S29 plan for which American Funds is the program manager.

3 Edward Jones and BlackRock entered into a revenue sharing agreement effective August 1, 2016.

4 Federated Securities Corp. and Edward Jones jointly own the investment adviser to the taxable Edward Jones Money Market Fund and the Edward Jones Tax-Free Money Market Fund, with Edward Jones holding a 49.5% limited partnership interest. The foregoing table does not include any amounts earned by or paid to Edward Jones related to its or Federated’s ownership of the adviser. Please refer to the funds’ prospectuses for further information.

5 Edward Jones and Ivy entered into a revenue sharing agreement effective February 1, 2015.

6 In addition to asset-based fees, the amounts received include fees paid by John Hancock for its participation at conferences, seminars, programs, and/or other events sponsored by Edward Jones.

7 For approximately the first half of 2015, in addition to the maximum sales fees, the total revenue sharing received by Edward Jones included annual asset fees from Lincoln National and Prudential up to \$15.00 based on \$10,000 of variable annuity assets owned and contract servicing fees up to \$12.00 per year on fixed and/or immediate annuity contracts.
